Situation

- We don't have a local community team, yet...

Situation

- We don't have a local community team, yet...
- ...but we do have local communities in many countries.

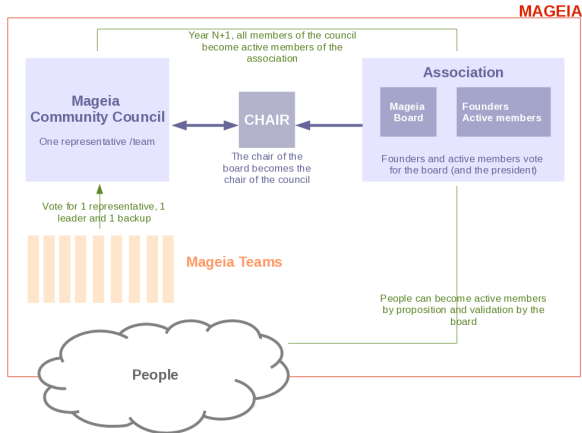

- We don't have a local community team, yet...
- ...but we do have local communities in many countries.
(France, Germany, Poland, Greece, Italy, Spain, Brasil, ...)

- We don't have a local community team, yet...
- ...but we do have local communities in many countries.
(France, Germany, Poland, Greece, Italy, Spain, Brasil,...)
- Organization is needed!

Gouvernance modell

Mageia overall organization

Mageia overall organization

- Mageia is organized in teams

Mageia overall organization

- Mageia is organized in teams
- Every team has one representative in council

Mageia overall organization

- Mageia is organized in teams
- Every team has one representative in council
- No team is more important then another

Mageia overall organization

- Mageia is organized in teams
- Every team has one representative in council
- No team is more important then another
- Local community team would have the same voice as packagers, sysadmins or translators
